2026 Murrumburrah Harden Show
14th November 2026
Markets Stall and Trade Spaces

Market Stall & Trade spaces are available at the 2026 Murrumburrah Harden Show for food vendors, market stalls and retail displays.

The Murrumburrah Harden Show is a popular annual event that has grown hugely over the past few years. We have Quick Shear, Rodeo and Fireworks, as well as all the normal country show attractions, attracting about 1500 people through the gates each year.

We will have your stalls where all the visitors walk to get from the car park to the rodeo, quick shear and pavilion so you should have lots of foot traffic.

We have good lighting in the area for stall holders staying until the end of the Fireworks display.

We encourage families to stay for the whole day & in past years many stay until the end of the Fireworks at 8.30pm

We will advertise your attendance in the lead up to the show through our social media platforms.

Sites cost is $50, this fee covers your site, power and gate entry for 1 (ONE) Adult.
You can park your vehicle behind your site for the duration of the show.
You can camp at the showground, camping fees are paid directly to the Showground Trust and can be booked in advance by calling 0475 798 251.
Directions to the Showground - Google Maps

Gazebos are allowed but must be pegged in or have weights, no exceptions & all power leads must be tagged and covered to eliminate trip hazards

A certificate of currency for Public Liability Insurance for $20m must be provided when you return your registration form which is due the week before the show, by Saturday 7th November 2026 at 5pm.

Stalls providing food to be consumed at the Harden Murrumburrah Show must comply with provisions of the Hilltops Shire Council's Food Safety Guidelines Food safety - Hilltops Council Stallholders need to abide by the most recent guidelines from the NSW Food Authority which is found on their web site at www.foodauthority.nsw.gov.au

Registration and payment does not mean automatic acceptance of the market stall or trade display at the Harden Murrumburrah Show. If the Management Committee feels the stall falls outside the shows guidelines, then then payment will be refunded in full and the stall not accepted. This is at the sole discretion of the Management Committee and their decision is final.

All Market Stalls and Retail Displays are asked to be onsite by 11am **Saturday 14 NOVEMBER 2026** and are encouraged to stay until the fireworks display at approximately 8.30pm.

If you wish to leave earlier then 8.30pm you may leave after the Quick Shear ends at approx. 3.30pm, however the **PREFERRED DEPARTURE is after the Fireworks end at approx. 8.30pm.**

Please be aware that most people will stay until the Fireworks and we encourage stall holders to stay until 8.30pm
